Dear Ms. Williams:

I have been designated as the Authorizing Official to respond to your Freedom of Information Act (FOIA) request of October 29, 2002 (request #03-009). You asked for copies of documents relating to sixteen Cummins Model QSK60-G6 Engine, 16 cylinder low-NOX model EPA Tier 1 continuous power generators purchased by the Public Utility District No. 1 of Okanogan County.

We have searched our files and find that we have no information or documents relating to these generators. Hence, we are sending you no documents.

Thank you for your request. If you have questions, please call Gene Tollefson, BPA's FOIA Officer, at (503) 230-4444.

Sincerely,

A handwritten signature in black ink, appearing to read "Sally J. Long", is written over a circular stamp.
